

TRIVIAL GUDE WHEN TRAVILING TO THE CAYMAN ISLANDS FOR PRIDE 2022

All persons traveling to the Cayman Islands will have to take a Lateral Flow Test (LFT) showing negative twenty-four hours before coming to the Cayman Islands. **(You must also be fully vaccinated)**

You will also need to apply for a certificate to travel from Travel Cayman. Follow the link <https://www.explore.gov.ky/travelcayman>

The other option is to send us your vaccination card with your barcode, and we can get you registered to travel. Our email is clgbtqf@gmail.com.

Please keep in mind if any of these laws are broken you can be charged up to 10,000.00 (ten thousand dollars) and also given up to two years in prison.
